Happy New Year

Building Relationship with Love

Greetings PHBC Family

The purpose of our newsletter is to keep our members and friends informed of the events and Ministries of PHBC.

Our goal is to present this newsletter every 1st Sunday of the month. We will highlight a member of the month which you can submit nominations for in

writing in the box at the rear of the church. Each month we will have featured articles from the ministries of our church.

Getting started

From the Pastor's Desk

What a joy divine as we lean on the everlasting arm of God. I speak blessings and peace to you as we start the year of 2017. Our ministry focus this year will be to build and sustain our relationship God and people. John 13:35 says everyone will know you are my disciples, if you love one another.

Love must be intentional and meaningful. Love cost and we have no guarantee that we will not get hurt when we love. Just as Christ has loved us ; let us who love Him love each other. I have no doubt this will be a great year for PHBC and its partners. I look forward to serving God with you in this season. May God bless you and may heave continue to smile upon you!
